Let Us Help Your Cause

“Hop” On The Cause

What are you passionate about? Where do you see a need? What fundraising effort would you like to spearhead? What is your cause?

Perhaps your cause would warrant a regular, quarterly fundraiser. Maybe it's a one-time opportunity to help someone in need. We won't know unless you tell us. Sweet Frog is always ready to hop on the opportunity to serve.

It's not just
frozen yogurt,
IT'S AN EXPERIENCE

Passion for community Involvement

So many of our customers tell us that Sweet Frog is more than frozen yogurt. We are told, “it's an experience” or “it's an event”. We couldn't agree more!

We believe that Sweet Frog is best experienced in our passion for community involvement and our willingness to give back to the communities in which we live and work.

You don't need to do a lot of convincing when it comes to asking a few friends to go to Sweet Frog for some premium frozen yogurt, so what's better than asking them to go to Sweet Frog for that PLUS a good cause?

How it works

1. Ask the manager for a “Hop On The Cause” Fundraiser Form. Complete the form and include a brief explanation as to what the fundraiser is for and how the money raised would be used. Share a few dates.
2. Sweet Frog will contact you to discuss a day, usually Monday through Wednesday, and a 3 hour block of time. 10% of ALL SALES goes to your organization, including sales from those who come in support and donations from our regular customers. There are no attendance rosters needed.
3. We ask that you advertise the fundraiser through your organization and contacts to get the word out. We advertise through our social media presence and in store signage.
